

Manufacturer:																				
ChromoTek GmbH Am Klopferspitz 19 82152 Planegg-Martinsried Germany phone: +49 (0)89 78797310 www.chromotek.com info@chromotek.com																				
																				
Material Safety Datasheet: ht-250 (Mdm4/HdmX-Trap protein)																				
ht-250																				
purified protein (250 µg) in 10 mM Hepes, 500 mM NaCl, 5 mM EDTA, 0.05% NaN₃ (physical appearance)																				
purified protein, non-hazardous, non-toxic, non-infectious, only for research applications, not for diagnostic or therapeutic use

Hazardous Identification																				
Adverse health effects are not expected from the recommended use of this product.																				
Inhalation: If breathing becomes difficult, remove victim to fresh air. Seek medical assistance immediately																				
Skin contact: Avoid skin contact. If skin contact occurs, wash contaminated skin with soap and water and remove contaminated clothing. Get medical attention if the skin become irritated																				
Eye contact: Flush contaminated eye(s) with large volumes of water for at least 15 minutes																				
Ingestion: No adverse effects are reasonably anticipated, however if ANY symptoms occur, keep victim warm and calm. Get medical attention immediately.																				
First-Aid Measures																				
Inhalation: If breathing becomes difficult, remove victim to fresh air. Seek medical assistance immediately																				
Skin contact: Avoid skin contact. If skin contact occurs, wash contaminated skin with soap and water and remove contaminated clothing. Get medical attention if the skin become irritated																				
Eye contact: Flush contaminated eye(s) with large volumes of water for at least 15 minutes																				
Ingestion: No adverse effects are reasonably anticipated, however if ANY symptoms occur, keep victim warm and calm. Get medical attention immediately.																				
Handling and Storage																				
Observe all federal state and local regulations when storing this Kit. Store in a cool dry place																				
Regulatory Information																				
N/A																				
Transport information																				
non hazardous for air, sea and road freight																				
Disposal information																				
Please consult local, state and federal regulations for additional guidance on disposal																				
Other information																				
The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. ChromoTek shall not be held liable for any damage resulting from handling or from contact with the product
